Dear Kea,

You had previously spoken with Steve Willard concerning the South Dakota Innkeepers Association PAC reports. According to your records, the reports were off by $100.00. After looking into it, I discovered that in January 2006, four checks were voided. They were $25 each, and were contribution checks that hadn't been cashed. Therefore, the closing balance on the May 27, 2006 should have in fact been $3071.02, not $2971.02 as reported.

I hope this information will clarify your records. Should you have any further questions, please feel free to contact me at 224-1330. Thanks for your help.

Sincerely,

Sandra Griese
